

Internship Training Programme

In charge: DR.DARBARI LAL

Internship is a phase of training wherein a graduate is expected to learn actual practice of medical and health care and acquire skills under supervision, so that he/she may become capable of functioning independently.

Hindu Rao Hospital offers full one year unpaid internship training to MBBS graduate students. The Internship program is as per MCI protocol and is recognized by MCI. No stipend is paid to such interns but they are required to pay non-refundable Rs. 12000/- (One thousand per Month) per annum to the college for availing clinical & infrastructural facilities for this training. In case, candidates leave the hospital or competent authority cancels his/her internship training, money deposited with this office will be forfeited.

The candidates who desire to do Internship training will have to submit his/her application addressed to The Medical Superintendent, Hindu Rao Hospital, Diary dispatch room no.117, first floor, G block along with self attested documents. Date for Interview is generally displayed on notice board 10 days before interview and no separate call letters are sent for interview, List of the selected candidates is put on notice board within two days of interview and no separate offer letters are issued.

After getting NOC from these hospital candidates are required to submit their application for joining internship training along with self attested documents. Original documents to be verified at the time of joining Internship. The candidate should join by the stipulated date. In case of any delay in joining, permission must be sought in advance. Grant of extension of joining time is only on the discretion of competent authority. In case a candidate is not selected, he/she will have to apply again with all documents for next interview.
